B.C.D. ACCESSORIES

AH-380 Dual-Alert

The Duo-Alert is a dual function signaling device. It is actually a Scuba-Horn and Scub-Alert built together in one unit.

An Air Powered Surface & U/W signaling Device.

Surface volume: Approx 125-130 dB.

U/W volume: 115-125dB.

It's very loud keep away from your ears.

Three models available to fit over 95% of the inflators currently on the market place.

AH-380-01 Standart Power Inflator

AH-380-02 Scubapro Air-2, Tusa-Duo-Air, & Atomic SS1.

AH-380-03 US Divers Micra, Oceanic Air XS, Zeagle OctoPlus, & SeeQuest AirSource.

AH-150 Scub-Alert

Scub-Alert Underwater Horn

- Requires just a tiny bit of air to activate the horn
- Horn works both Underwater and On the Surface
- 3 models with different connectors to fit almost any inflator
- Apprx surface range of 0.25 - 0.50 miles
- Volume: 115-125 dB (approx)

The Scub-Alert is very compact in size. Only the best quality components are used in manufacturing of the AQUATEC™ Scub-Alert.

The loud resonating frequency generated by this horn can be heard on the surface approximately 0.5 miles away.

The Scub-Alert is not only starting to be a major requirement for many live-aboards and dive operations; it is also an essential piece of gear that will add to the enjoy-

ment of the dive to any buddy team that need to get each other's attention underwater.

The Scub-Alert is an underwater horn that allows you to signal your dive buddy effortlessly by the press of a button.

This horn generates a loud "quacking" sound by using tiny pulses of air to rapidly vibrating a steel disk.

3 Different Models:

AH-150-01: Fits standard power inflator

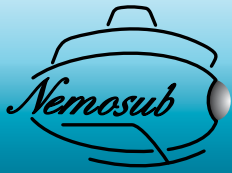

AH-150-02: Fits ScubaPro Air-2, Tusa Duo-Air, and Atomic SS1

AH-150-03: Fits SeaQuest AirSource, U.S. Divers Micra, Oceanic Air XS, and the Zeagle OctoPlus

* Horn is very loud above water. Keep away from ears at all times.

Patent No.: US 5951205, Japan 3049468, China ZL 97 2 20469.5, Taiwan 135353.

B.C.D.

BC-87 ELITE PRO BCD

The BC-87 Elite Pro from AQUATEC™ is an internal bladderless BCD that has a comfortable adjustable cummerbund waistband along with easy to adjust shoulder straps. The BC-87 Elite Pro is made from tough 1000 denier Cordura/PU bonded to the inside. The pockets are made from 1680 and 840 denier nylon. Both designs, the portable "Independent Backpack" and "Soft TPR Backpack Pad", give the BCD excellent stability.

The Air-3 Power Inflator Air System (Pat.), Covered Corrugated Hose, L/P Hose, Solid Zippered Pockets, Integrated Quick Release Safety Weight Pockets System (Pat.), 8 x SUS contoured 2" D-Rings, 2 x O/P Valves, and 2 x Hose Retainers, Stainless Steel Tank Cam Lock Buckle (Pat.) are all included.

Specifications:

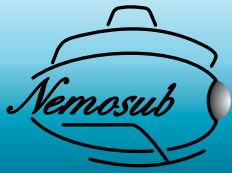

Size: XS S M L XL

Buoyancy: 14(31) 16(35) 18(40) 20(44) 22(48) Kgs.(Lbs.)

Color: Black / **Red**

- Two Tank Version Optional.

BC-86 ELITETEC B.C.D.

The BC-86 Elite Tec from AQUATEC™ is an internal bladderless BCD that has a comfortable adjustable cummerbund waistband along with easy to adjust shoulder straps. The BC-86 Elite Tec is made from tough 1000 denier Cordura/PU bonded to the inside. The pockets are made from 1680, and 840 denier nylon. Both designs, the portable "Independent Backpack" and "Soft TPR Backpack Pad", give the BCD excellent stability.

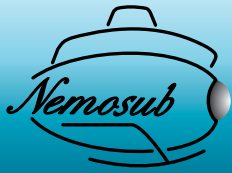

The Covered Corrugated Hose, L/P Hose, Solid Zippered Pockets, Integrated Quick Release Safety Weight Pockets System (Pat.), 8 x SUS contoured 2" D-Rings, 2 x O/P Valves, 2 x Hose Retainers, and Stainless Steel Tank Cam Lock Buckle (Pat.) are all included.

Specifications:

Size:	XS	S	M	L	XL	
Buoyancy:	14(31)	16(35)	18(40)	20(44)	22(48)	Kgs.(Lbs.)
Color:	Black / Red					

- Two Tank Version Optional.

B.C.D.

BC-66 Atlas Tec B.C.D.

The BC-66 Atlas Tec from AQUATEC™ is an internal bladderless BCD that has a comfortable adjustable cummerbund waistband along with easy to adjust shoulder straps. The BC-66 Atlas Tec is made from tough 1000 denier Cordura/PU bonded to the inside. The pockets are made from 1680 and 840 denier nylon. Both designs, the portable “Independent Backpack” and “Soft TPR Backpack Pad”, give the BCD excellent stability.

The Covered Corrugated Hose, L/P Hose, Solid Zippered Pockets, Integrated Quick Release Safety Weight Pockets System (Pat.), 4 x SUS contoured 2” D-Rings, 2 x O/P Valves, 2 x Hose Retainers, and Stainless Steel Tank Cam Lock Buckle (Pat.) are all included.

Specifications:

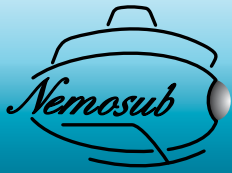

Size: XS S M L XL

Buoyancy: 12(26) 14(31) 16(35) 18(40) 20(44) Kgs.(Lbs.)

Color: Black / Red

- Two Tank Version Optional.

BC-65 Atlas B.C.D.

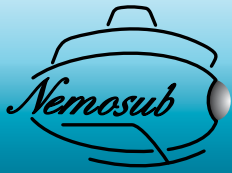

The BC-65 Atlas from AQUATEC™ is an internal bladderless BCD that has a comfortable adjustable cummerbund waistband along with easy to adjust shoulder straps. The BC-65 Atlas is made from tough 1000 denier Cordura / PU bonded to the inside. The pockets are made from 1680 and 840 denier nylon. Both designs, the portable “Independent Backpack” and “Soft TPR Backpack Pad”, give the BCD excellent stability.

The Covered Corrugated Hose, L/P Hose, Solid Zippered Pockets, 4 x SUS contoured 2” D-Rings, 2 x O/P Valves, 2 x Hose Retainers, and Stainless Steel Tank Cam Lock Buckle (Pat.) are all included.

Specifications:

Size:	XS	S	M	L	XL	
Buoyancy:	12(26)	14(31)	16(35)	18(40)	20(44)	Kgs.(Lbs.)
Color:	Black / Red					
• Two Tank Version Optional.						

B.C.D.

BC-25 Sunny B.C.D.

The BC-25 Sunny from AQUATEC is an internal bladderless BCD that has a comfortable adjustable cummerbund waistband along with easy to adjust shoulder straps. The BC-25 Sunny is made from tough 1000 denier Cordura/PU bonded to the inside. The pockets are made from 1680 denier nylon. Both designs, the portable “Independent Back Pack” and “Soft Tooled Padding”, give the BCD excellent stability. The Covered Corrugated Hose, L/P Hose, Velcro Pockets, 2 O/P Valves, 1 Hose Retainer, and Stainless Steel Tank Cam Lock Buckle are all included.

Specifications:

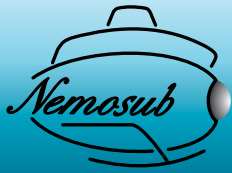

Size: XS S M L XL

Buoyancy: 14(31) 16(35) 18(40) 20(44) 22(48) Kgs.(Lbs.)

Color: Black / Red

- Two Tank Version Optional.

BC- 3S CHILD B.C.D.

The BC-3S Child BCD from AQUATEC™ is bladderless and has a comfortable adjust cummerbund waistband with easy to adjust shoulder straps. The BC-3S Child BCD is made of tough 1000 denier Cordura/PU bonded to the inside just like the adult BCD's. A special "Compact" Back Pack with soft Padding offers superior stability. The Scub-Alert power inflator air system (Pat.). Covered corrugated hose, One zippered pocket on left side, One Velcro pocket on right side, 2 x SUS contoured D-rings (just like the adult BCD's), 2 x O/P Valves, and 2 x Hose Retainers are all included.

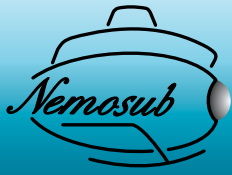

Specifications:

Size: Unique

Buoyancy: 10(22) Kgs.(Lbs.)

Color: Black / Red

B.C.D.

BC-002 Horse Collar B.C.D.

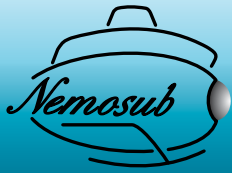

The BC-002 Horse Collar BCD from AQUATEC™ is a dual bladder BCD. The outer bladder layer is made from tough 1000 denier Cordura, while the Inner bladder layer is made from 0.4 m/m polyurethane. The bladder uses a one cell design so that air cannot be trapped in any part of the bladder. This BCD offers excellent front superior stability. 2 Over Pressure Valves, a power inflator and a L/P hose are included.

Specifications:

Size: Unique

Buoyancy: 18(40) Kgs.(Lbs.)

Color: Black Only.

B.C.D. ACCESSORIES

3-in-1 Power Inflator

Alternate Inflator, Regulator, Sub-Alert.

An innovative device combine with Second stage, Inflator, and Sub-Alert is announced.
Combine with Regulator, Inflator, & Sub-Alert, construct with best durable materials.
The simple mechanism is easy to maintain.

Integrated with BCD inflator air system.

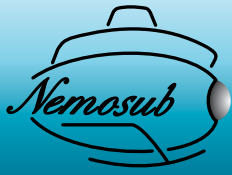

An ideal replacement for the Second stage octopus.

The Sub-Alert horn works both underwater and on the surface.

The volume is very high at 110-120 dB. Approximated surface range is about 1.0 Km.

Alert, Inflation and Deflation buttons.

Patent No. 181052, US 6,513,525 B2.
